

Happy Birthday Honey...

November 23, 2008

To My Wonderful Wife, Nathasa

Each year your birthday reminds me

That I really want to say

I'm very glad I know you;

Since 12 years ago...

You are the miracle in my life

How do I begin to tell you how lucky I am

for having you in my life?

I'll start by saying what a gift that GOD gave me

the day you became my wife.

You're my best friend in the good times

and my rock in times of sorrow.

You're the reason for sweet yesterdays

and my promise for tomorrow.

You made this year and every year

the best one of my life.
